liable and for more effect tual cemedy than any reled it, know that it cured them; those who b a, know that it cares their neighbors and iriend ng all know that what it does once it class alway - mat it never fail- through any fault or neglect o its composition. We have, and can show, then ands upon thousands of certificates of remarka the cures of the following complaints, but such cares are known in every neighborhood, and who should we publish them? Adapted to all ages and onditions in all climates; containing neither cate with safety by anybody. Their sugar coating pre erves them ever fresh and makes them pleasant to acise from their use in any quantity

take, while being purely vegetable no harm can They operate by their powerful influence on the internal viscera to purify the blood and stimulate it anto healthy action - remove the obstructions of the tomach, howels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these

For Dyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite, they For Liver Complaint and its various ms, Bilious Headache, Sick Headache,

Janudice or Green Sickness, Bilious Colic and Bilions Fevers, they should be inction or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild ose is generally required.

For Rheumatism, Cont, Gravel, Palpi-

tation of the Heart. Pain in the Side. **Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints

For Dropsy and Dropsical Swellings they hould be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression a large dose should be taken as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite and invigorates the system. Hence it is often ad One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the diges tive apparatus. There are numerous cases where : purgative is required, which we cannot enumer e here, but they suggest themselves to everybody. and where the virtues of this Pill are known, the cublic no longer doubt what to employ,

Ayer's Cherry Pectoral. For Diseases of the Throat and Lungs. such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma.

and Consumption. Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent eries of years, and among most of the races of men it has risen higher and higher in their estimaion, as it has become better known. Its uniform haracter and power to cure the various affections of the lungs and throat, have made it known as a re-liable protector against them. While adapted to ailder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dan-gerous affections of the throat and lungs. As a proision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Per-
